**JOINT ANNOUNCEMENT
 CONNECTED TRANSACTIONS**

The HWL Board and the HTIL Board announce that on 17 December 2005, JKF and UMT entered into the Loan Agreement for a term loan facility of up to INR5,100 million (or approximately US\$113.2 million or HK\$877.5 million) on a joint and several basis entitling the Lender to request that JKF and/or UMT repay the Lender an amount equivalent to the total outstanding indebtedness under the Term Loan Facility.

On 19 December 2005, HTIL entered into the SBLC Credit Agreement to procure the issue of a short term one year SBLC with a face value of up to US\$125 million (or approximately HK\$969 million) in support of the obligations of JKF and UMT in respect of the Term Loan Facility.

Each of JKF and UMT is an indirect non wholly owned subsidiary of both HWL and HTIL and a connected person of HWL and HTIL by virtue of it being an associate of the Kotak Mahindra Group, which is also a substantial shareholder of other Indian subsidiaries of both HWL and HTIL.

The entering into of the Loan Agreement by JKF and UMT on a joint and several basis and the procurement of the SBLC by HTIL each constitutes a connected transaction for both HWL and HTIL under Listing Rule 14A.13(2)(a)(i). As the Loan Agreement and the provision of the SBLC are each on normal commercial terms and the relevant percentage ratios for both HWL and HTIL are more than 0.1% but less than 2.5%, the provision of such financial assistance is according to Listing Rule 14A.66(2)(a) only subject to the reporting and announcement requirements set out in Listing Rules 14A.45 to 14A.47 and is exempt from the independent shareholders' approval requirements of Chapter 14A of the Listing Rules.

REASONS FOR ENTERING INTO THE CONNECTED TRANSACTIONS

JKF and UMT hold part of the HWL Group and HTIL Group's economic interest in Hutchison Essar Limited ("HEL"), the HWL Group and HTIL Group's operating company in India that also holds the shares in the HWL Group and HTIL Group's other five operating companies in India. The HWL Group and HTIL Group bear a significant degree of economic risk and reward in relation to HEL and have the benefit of call options over all of the shares in JKF and UMT that are not presently held by the HWL Group and HTIL Group. A substantial part of the funding to be provided under the Term Loan Facility is to enable JKF and UMT to acquire shares to be issued by HEL pursuant to a rights issue. This equity funding will be used to continue the expansion of the HWL Group's and HTIL Group's business in India and ensure that the HWL Group and HTIL Group maintain their present level of economic interest in HEL interest held through minority stakes in HEL. The HWL Board and the HTIL Board consider it in the interests of HTIL to provide financial assistance to JKF and UMT in order to preserve the value of the HWL Group and HTIL Group's interest in HEL.

JKF and UMT have agreed to be jointly and severally liable in respect of the Term Loan Facility in order to maximise their flexibility in utilising the Term Loan Facility for funding and operational purposes.

The HWL Board, including the Independent Non-executive HWL Directors, consider that the Loan Agreement, the SBLC Credit Agreement and the provisions of financial assistance as mentioned hereinabove are on normal commercial terms, which were arrived at after arm's length negotiations between the parties, and are fair and reasonable insofar as the shareholders of HWL are concerned.

The HTIL Board, including the Independent Non-executive HTIL Directors, consider that the Loan Agreement, the SBLC Credit Agreement and the provisions of financial assistance as mentioned hereinabove are on normal commercial terms, which were arrived at after arm's length negotiations between the parties, and are fair and reasonable insofar as the shareholders of HTIL are concerned.

GENERAL

The HWL Group operates and invests in five core businesses: ports and related services; property and hotels; retail and manufacturing; energy and infrastructure, finance and investments; and telecommunications. The HTIL Group is a global provider of telecommunications services.

Each of them is an indirect non wholly owned subsidiary of both HWL and HTIL and a connected person of HWL and HTIL by virtue of it being an associate of the Kotak Mahindra Group, which is also a substantial shareholder of other Indian subsidiaries of both HWL and HTIL.

The entering into of the Loan Agreement by JKF and UMT on a joint and several basis and the procurement of the SBLC by HTIL each constitutes a connected transaction for HWL and HTIL under Listing Rule 14A.13(2)(a)(i).
