

This announcement is for information purposes only and does not constitute an offer or invitation to subscribe for or purchase any securities, nor is it calculated to invite any such offer or invitation. In particular, this announcement is not an offer of securities for sale in Hong Kong, the United States, or elsewhere. Securities may not be offered or sold in the United States absent registration or an exemption from registration. Any public offering of securities to be made in the United States will be made by means of a prospectus that may be obtained from the issuer or selling security holder and that will contain detailed information about Hutchison Telecommunications International Limited ("HTIL") and management, as well as financial statements. HTIL has registered a portion of the proposed offering in the United States.

The Stock Exchange of Hong Kong Limited (the "Stock Exchange") and Hong Kong Securities Clearing Company Limited take no responsibility for the contents of this announcement, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this announcement.

In connection with the Global Offering, Goldman Sachs (Asia) L.L.C., as stabilising manager, or any person acting for it, on behalf of the Underwriters, may over-allocate or effect short sales or any other stabilising transactions with a view to stabilising or maintaining the market price of the Shares at a level higher than that which might otherwise prevail for a limited period after the date of dealings in Shares first commence on the Stock Exchange. However, there is no obligation on Goldman Sachs (Asia) L.L.C. or any person acting for it to do this. Such stabilisation may be effected in all jurisdictions where it is permissible to do so, in each case in compliance with all applicable laws and regulatory requirements, including the Securities and Futures (Price Stabilizing) Rules made under the Securities and Futures Ordinance. Such stabilisation, if commenced, will be conducted at the absolute discretion of Goldman Sachs (Asia) L.L.C. or any person acting for it and may be discontinued at any time, and must be brought to an end after a limited period. The details of the intended stabilisation and how it will be regulated under the Securities and Futures Ordinance are contained in the Prospectus. The number of Shares being offered in the Global Offering may be increased by up to an aggregate of 173,250,000 Shares through the exercise of the Over-allocation Option granted to the International Underwriters by the Selling Shareholder and exercisable by the Global Coordinator on behalf of the International Underwriters, which option is exercisable at any time from the day on which trading of the Shares commences on the Stock Exchange until 30 days thereafter. In the event that such Over-allocation Option is exercised, a press announcement will be made.

CONNECTED TRANSACTION

- The Offer Price has been determined at HK\$6.01 per Share (excluding brokerage of 1%, SFC transaction levy of 0.005%, investor compensation levy of 0.002% and Stock Exchange trading fee of 0.005%) and at US\$11.67 per ADS.

- Immediately after the Global Offering and completion of the sale of Shares to DoCoMo on the exercise of the Put Option (assuming the Over-allocation Option is not exercised), HWL will be interested in approximately 70.2% of HTIL's issued share capital (or approximately 66.3% if the Over-allocation Option is exercised in full).
- On closing of the Global Offering based on the Offer Price as determined and completion of the sale of Shares to DoCoMo on the exercise of the Put Option, HWL will realise a total profit of approximately HK\$4,100 million (assuming the Over-allocation Option is not exercised) or a total profit of approximately HK\$4,700 million (if the Over-allocation Option is exercised in full).

As the listing of the Shares pursuant to the Global Offering is subject to, among others, the approval of the Stock Exchange and the conditions set out in the Hong Kong Underwriting Agreement and the International Underwriting Agreement, HWL's shareholders and other investors are reminded to exercise caution when dealing in the securities of HWL.

Unless otherwise defined in this announcement, terms defined in the prospectus of Hutchison Telecommunications International Limited ("HTIL") dated 30 September 2004 (the "Prospectus") have the same meanings when used in this announcement.

The board of directors of Hutchison Whampoa Limited ("HWL") refers to the announcements previously released dated 29 March 2004, 3 September 2004, 18 September 2004 and 30 September 2004 and the joint announcement from HWL and HTIL released on 4 October 2004.

OFFER PRICE

The Offer Price has been determined at HK\$6.01 per Share (excluding 1% brokerage, SFC transaction levy of 0.005%, investor compensation levy of 0.002% and Stock Exchange trading fee of 0.005%) and at US\$11.67 per ADS.

The Selling Shareholder will receive all of the net proceeds from the Global Offering, which, on the basis of the final Offer Price, will be approximately HK\$7,000 million (or approximately HK\$8,000 million, if the Over-allocation Option is exercised in full), after deducting expenses payable by the Selling Shareholder. On closing of the Global Offering based on the Offer Price as determined and on completion of the sale of Shares on the exercise of the Put Option (as defined below), HWL will realise a profit of approximately HK\$3,500 million (assuming the Over-allocation Option is not exercised) or a total profit of approximately HK\$4,100 million (if the Over-allocation Option is exercised in full). This profit has been calculated in accordance with Financial Reporting Standard 3 issued by the Hong Kong Institute of Certified Public Accountants in August, 2004.

Immediately after the Global Offering and completion of the sale of Shares to DoCoMo on the exercise of the Put Option (assuming the Over-allocation Option is not exercised), HWL will be interested in approximately 70.2% of HTIL's issued share capital (or approximately 66.3% if the Over-allocation Option is exercised in full).

EXPECTED TIMETABLE

HTIL will publish its results announcement for the Global Offering in The Standard (in English) and the Sing Tao Daily (in Chinese) on Thursday, 14 October 2004.

Permission to deal has yet to be formally granted by the Stock Exchange but dealings in the Shares are expected to commence on the Stock Exchange at 9:30 a.m. on Friday, 15 October 2004.

TRANSACTION WITH DOCOMO INVOLVING THE SHARES IN HTIL

As disclosed in the section of the Prospectus headed "Relationship with HWL – Transaction with DoCoMo involving our Shares", on 27 May 2004, HWL entered into an agreement with DoCoMo for the acquisition by the HWL Group of DoCoMo's 20% interest in Hutchison 3G UK Holdings Limited, which is the holding company for the Retained Group's 3G operations in the United Kingdom.

DoCoMo has agreed, at HWL's option (the "Put Option"), to apply up to the full amount of the first tranche (i.e. £80 million) of the consideration in the purchase of Shares from the Selling Shareholder at the Offer Price. HWL has today notified DoCoMo that it is

exercising the Put Option in respect of 187,966,653 Shares. Accordingly, DoCoMo will acquire such number of Shares from the Selling Shareholder on the Listing Date, being approximately 4.2% of HTIL's issued share capital on that date. These Shares were not part of the Offer Shares being offered pursuant to the Global Offering.

On completion of the sale of Shares on the exercise of the Put Option based on the Offer Price as determined, HWL will realise a profit of approximately HK\$600 million.
