Wong Yin Sen and Hon Lik agreed to enter into a mortgage (as security for the performance of Absolute Target under the Exchangeable Bonds) on 16 January 2007 pursuant to which Absolute Target agreed to mortgage certain shares of US\$1.00 each of Absolute Target (representing approximately 88.75% of the issued share capital of Absolute Target) held by them in favour of the said two investors; and (iv) Dragon Concept will execute a guarantee in favour of each of the two investors prior to the Completion Date to guarantee the obligations of Absolute Target under the Subscription Agreement and the Exchangeable Bonds.

The purpose of the issuance of the Exchangeable Bonds by Absolute Target is to on-lend the net proceeds of such issuance for the general business development and working capital purposes of Dragon Concept and its subsidiaries. Such proceeds are, not and will not be, used for financing the proposed acquisition of a minimum of 30% equity interest in the Target Company.

On the Maturity Date, unless the Exchangeable Bonds were previously redeemed or exchanged for Shares, Absolute Target shall redeem any of the outstanding Exchangeable Bonds at (i) the principal amount of the Exchangeable Bonds; and (ii) an amount representing a gross annual yield of 10% from and including the issue date of the Exchangeable Bonds but up to excluding the Maturity Date.

Each of the holder of the Exchangeable Bonds shall have the right to exchange all or part of the principal amount of the Exchangeable Bonds for Shares at the price of HK\$1.20 per Share (representing a discount of amount 20% to the closing price of HK\$1.50 quoted on the Stock Exchange on 16 January 2007) (“**Exchange Price**”), which is subject to adjustments and resets, at any time following the earlier of (i) the completion of the acquisition by the Company of a minimum of 30% equity interest in the Target Company; and (ii) 30 April 2007, until 10 Business Days prior to the Maturity Date.

In the event that a holder of Exchangeable Bonds exercises its right to exchange as mentioned above, Absolute Target has an option to pay cash (in whole and not in part), instead of transferring the related Shares, to such Bondholder in an amount equal to the Closing Price multiplied by the number of Shares that such holder of the Exchangeable Bonds would have received.

In the event that the Current Market Price of Shares at any time after the first anniversary of the issue date of the Exchangeable Bonds has reached HK\$2.00 per Share, Absolute Target may call upon each of the holders of the Exchangeable Bonds to exchange all, but not some, of the then outstanding principal amount of the Exchangeable Bonds (unless previously redeemed or exchanged for Shares) into Shares at the Exchange Price.

To the best knowledge, information and belief of the Board and having made all reasonable enquiries, each of the two investors and the beneficial owner of each of them are third parties independent of the Company and the Company’s connected persons.

The Board considers that the financial position and operation of the Company will not be affected by the aforesaid, as Absolute Target only holds the Shares as an investment and the Company is operated independently from Absolute Target.
