#### (3) Resumption of Trading

##### (1) Exercise of Option:

On 29th September, 2006, Wah Cheong gave notice to CLSA to exercise the Option over the Option Shares. Completion of the purchase of the Option Shares is expected to take place on 6th October, 2006 in accordance with the provisions of the Option Agreement. At the same time, to simplify the mechanisms for the exercise of the Option over the Option Warrants, CLSA consented to transfer all the Option Warrants to Wah Cheong, so that Wah Cheong will be able to exercise the Option Warrants as and when it sees fit at any time before the expiry of the term of the QHA Warrants, without any further involvement from CLSA.

##### (2) Unconditional Mandatory Cash Offers:

Immediately following completion of the purchase of the Option Shares, Wah Cheong and the parties acting in concert with it will own 102,557,023 QHA Shares (including 102,000 QHA Shares owned by a corporation wholly owned by Mr. Steven Samuel Zoellner, an APL Director), representing approximately 51.13 per cent. of the existing issued share capital of QHA. Under Rule 26.1 of the Takeovers Code, Wah Cheong is required to make the Share Offer (being an unconditional mandatory cash offer) for all Offer Shares (being QHA Shares not already owned or agreed to be acquired by Wah Cheong or parties acting in concert with it). Wah Cheong is also required under Rule 13.1 of the Takeovers Code to make the Warrant Offer (being an unconditional mandatory cash offer) for all Offer Warrants (being QHA Warrants not held or agreed to be acquired by Wah Cheong or parties acting in concert with it) and to make the Share Option Offer (being an unconditional mandatory cash offer) for all QHA Share Options.

SHKIL, for and on behalf of Wah Cheong, will make the Offers for all Offer Shares, all Offer Warrants and all QHA Share Options on the following basis:

For each Offer Share .....	HK\$3.25 in cash
For each Offer Warrant .....	HK\$0.79 in cash
For each QHA Share Option .....	HK\$1.78 in cash

The cash offer price per Offer Share is equal to the aggregate consideration paid by Wah Cheong for each Option Share, calculated on the basis of the aggregate payment for the grant of the Option and for the exercise of the Option over the Option Shares of HK\$111,009,164.50 (i.e. HK\$3.25 per Option Share).

The cash offer price per Offer Warrant represents the difference between the cash offer price per Offer Share of HK\$3.25 and the adjusted subscription price of the QHA Warrants of HK\$2.46 per QHA Share prevailing as at the date of this announcement.

The cash offer price per QHA Share Option represents the difference between the cash offer price per Offer Share of HK\$3.25 and the adjusted exercise price of the QHA Share Options of HK\$1.47 per QHA Share prevailing as at the date of this announcement.

The Offers are not subject to any condition.

**Wah Cheong has no intention to increase the cash offer price per Offer Share, the cash offer price per Offer Warrant or the cash offer price per QHA Share Option.**

The Share Offer will be extended on identical terms to all new QHA Shares issued at any time before the closing of the Offers, upon the exercise of the subscription rights attaching to any of the outstanding QHA Warrants or upon the exercise of any of the outstanding QHA Share Options.

SHKIL is satisfied that sufficient financial resources are available to Wah Cheong to satisfy full acceptance of the Offers.

It is the intention of the AGL Directors, the APL Directors, the SHK Directors and the directors of Wah Cheong to maintain listing of the QHA Shares on the Stock Exchange. Appropriate steps will be taken as soon as possible following closing of the Offers to ensure that not less than 25 per cent. of the QHA Shares will be held in public hands.

**The Stock Exchange has stated that it will closely monitor trading in the QHA Shares. If, immediately following closing of the Offers, less than 25 per cent. of the QHA Shares are held by the public, or if the Stock Exchange believes that a false market exists or may exist in the trading in the QHA Shares or there are too few QHA Shares in public hands to maintain an orderly market, then it will consider exercising its discretion to suspend trading in the QHA Shares until a sufficient public float is attained.**

The Stock Exchange has also stated that, if QHA remains a listed company, any future injection of assets into or disposal of assets of QHA will be subject to the provisions of the Listing Rules. Pursuant to the Listing Rules, the Stock Exchange has discretion to require QHA to issue a circular to its shareholders where any acquisition or disposal by QHA is proposed, irrespective of the size of such acquisition or disposal and in particular where such acquisition or disposal represents a departure from the principal activities of QHA. The Stock Exchange also has the power, pursuant to the Listing Rules, to aggregate a series of acquisitions or disposals by QHA and any such acquisitions or disposals may, in any event, result in QHA being treated as a new applicant for listing and subject to the requirements for new applicants as set out in the Listing Rules.

It is the intention of AGL, APL, SHK and Wah Cheong to maintain the existing business activities of the QHA Group. There is no current plan to inject any business into the QHA Group nor dispose of any major assets of the QHA Group.

Pursuant to Rule 8.2 of the Takeovers Code, Wah Cheong will despatch an offer document containing, amongst other things, the terms of the Offers, together with forms of acceptance and transfer or cancellation, to shareholders of QHA, holders of the QHA Warrants and grantees of the QHA Share Options in connection with the Offers within 21 days after the date of this announcement.

The Offers constitute a discloseable transaction for AGL under the Listing Rules, on the basis that the calculation of the revenue ratio is within the range of 5 per cent. and 25 per cent.

The Offers constitute a major transaction for APL under the Listing Rules, on the basis that the calculation of the revenue ratio is within the range of 25 per cent. and 100 per cent. Under Rule 14.44 of the Listing Rules, as no shareholder of APL is required to abstain from voting if APL were to convene a general meeting for approving the Offers, written approval has been obtained from AGL, as a shareholder of APL holding approximately 74.93 per cent. of the issued share capital of APL as at the date of this announcement, in lieu of holding a general meeting.

The Offers constitute a major transaction for SHK under the Listing Rules, on the basis that the calculation of the revenue ratio is within the range of 25 per cent. and 100 per cent. Under Rule 14.44 of the Listing Rules, as no shareholder of SHK is required to abstain from voting if SHK were to convene a general meeting for approving the Offers, written approval has been obtained from APL (through its wholly-owned subsidiary AP Emerald Limited), as a shareholder of SHK holding approximately 62.53 per cent. of the issued share capital of SHK as at the date of this announcement, in lieu of holding a general meeting.

AGL, APL and SHK will each despatch a circular containing, amongst other things, details of the Offers to their respective shareholders as soon as practicable.

(3) **Resumption of Trading:**

Trading in the securities of AGL, APL and SHK on the Stock Exchange was suspended at their respective requests with effect from 9:30 a.m. on 3rd October, 2006 pending the release of this announcement. AGL, APL and SHK have each applied for a resumption of trading in their respective securities with effect from 9:30 a.m. on 6th October, 2006.

**EXERCISE OF OPTION**

Reference is made to the joint announcements of AGL, APL and SHK dated 7th April, 2006 and 18th May, 2006 in connection with the grant of the Option over the Option Shares (being 34,156,666 QHA Shares) and the Option Warrants (being such number of QHA Warrants held by CLSA as would, if exercised, lead to the subscription of 7,056,232 QHA Shares, at the adjusted subscription price of HK\$2.46 per QHA Share prevailing as at the date of this announcement) by CLSA to Wah Cheong (a direct wholly-owned subsidiary of SHK), and the respective circulars of AGL, APL and SHK dated 29th June, 2006.

On 21st July, 2006, both the taking and the exercise of the Option over the Option Shares and the Option Warrants were approved by the shareholders of AGL in accordance with all applicable requirements under the Listing Rules. As stated in the joint announcement of AGL, APL and SHK dated 7th April, 2006 and the respective circulars of APL and SHK dated 29th June, 2006, written approvals have already been obtained from AGL (as a shareholder holding over 50 per cent. of the issued share capital of APL) and from APL (through its wholly-owned subsidiary, AP Emerald Limited, as a shareholder holding over 50 per cent. of the issued share capital of SHK), in each case in accordance with all applicable requirements under the Listing Rules.

On 29th September, 2006, Wah Cheong gave notice to CLSA to exercise the Option over the Option Shares. Pursuant to the Option Agreement, Wah Cheong will pay CLSA, in respect of the exercise by Wah Cheong of the Option over the Option Shares, an aggregate exercise price of HK\$99,908,248.05 (i.e. HK\$2.925 per Option Share) for the purchase of the Option Shares.

Completion of the purchase of the Option Shares is expected to take place on 6th October, 2006 in accordance with the provisions of the Option Agreement.

Completion of the purchase of the Option Shares is not subject to the passing of resolution at general meetings of shareholders of AGL, APL, SHK and Wah Cheong.

At the same time, to simplify the mechanisms for the exercise of the Option over the Option Warrants, CLSA consented to transfer all the Option Warrants to Wah Cheong, so that Wah Cheong will be able to exercise the Option Warrants as and when it sees fit at any time before the expiry of the term of the QHA Warrants, without any further involvement from CLSA.

**UNCONDITIONAL MANDATORY CASH OFFERS**

As at the date of this announcement, 200,570,978 QHA Shares and outstanding QHA Warrants, which would, if exercised, lead to the subscription of 38,788,348 QHA Shares at the adjusted subscription price of HK\$2.46 per QHA Share, are in issue. Wah Cheong is the beneficial owner of 68,298,357 QHA Shares, representing approximately 34.05 per cent. of the existing issued share capital of QHA. It also holds such number of QHA Warrants as would, if exercised, lead to the subscription of 12,544,632 QHA Shares. Exercise of such QHA Warrants in full would result in Wah Cheong holding 80,842,989 QHA Shares, representing approximately 37.93 per cent. of the issued share capital of QHA as enlarged by issue of the new QHA Shares following exercise of such QHA Warrants in full.

Immediately following completion of the purchase of the Option Shares and the transfer of all the Option Warrants, Wah Cheong and the parties acting in concert with it will own 102,557,023 QHA Shares (including 102,000 QHA Shares owned by a corporation wholly owned by Mr. Steven Samuel Zoellner, an APL Director), representing approximately 51.13 per cent. of the existing issued share capital of QHA and will hold 19,600,864 QHA Warrants. Under Rule 26.1 of the Takeovers Code, Wah Cheong is required to make the Share Offer (being an unconditional mandatory cash offer) for all Offer Shares (being QHA Shares not already owned or agreed to be acquired by Wah Cheong or parties acting in concert with it). Wah Cheong is also required under Rule 13.1 of the Takeovers Code to make the Warrant Offer (being an unconditional mandatory cash offer) for all Offer Warrants (being QHA Warrants not held or agreed to be acquired by Wah Cheong or parties acting in concert with it) and to make the Share Option Offer (being an unconditional mandatory cash offer) for all QHA Share Options.

Following completion of the purchase of the Option Shares and the transfer of all the Option Warrants CLSA will not hold any QHA Shares and QHA Warrants.

As at the date of this announcement, 98,013,955 QHA Shares are subject to the Share Offer, 19,187,484 QHA Warrants which, upon exercise in full, will result in the issue of 19,187,484 new QHA Shares, are subject to the Warrant Offer, and 847,800 QHA Share Options which, upon exercise in full, will result in the issue of 847,800 new QHA Shares, are subject to the Share Option Offer.

**Terms of the Share Offer**

SHKIL, for and on behalf of Wah Cheong, will make the Share Offer for all Offer Shares on the following basis:

For each Offer Share ..... HK\$3.25 in cash

The cash offer price per Offer Share is equal to the aggregate consideration paid by Wah Cheong for each Option Share, calculated on the basis of the aggregate payment for the grant of the Option and for the exercise of the Option over the Option Shares of HK\$111,009,164.50 (i.e. HK\$3.25 per Option Share). It is the highest price paid by Wah Cheong and the parties acting in concert with it for the acquisition of the QHA Shares in the six month period preceding the date of this announcement, and represents:

- a discount of approximately 16.67 per cent. to the closing price of HK\$3.90 per QHA Share as quoted on the Stock Exchange on 29th September, 2006, being the last trading day prior to the date of this announcement;
- a discount of approximately 14.11 per cent. to the average closing price of HK\$3.784 per QHA Share, based on the daily closing prices as quoted on the Stock Exchange over the ten trading days up to and including 29th September, 2006;
- a discount of approximately 14.60 per cent. to the average closing price of HK\$3.8056 per QHA Share, based on the daily closing prices as quoted on the Stock Exchange over the 20 trading days up to and including 29th September, 2006;
- a discount of approximately 13.38 per cent. to the average closing price of HK\$3.752083 per QHA Share, based on the daily closing prices as quoted on the Stock Exchange over the 60 trading days up to and including 29th September, 2006; and

- a premium of approximately 322.63 per cent. over the audited consolidated net asset value per QHA Share of approximately HK\$0.769 as at 31st December, 2005 (being the date up to which the latest published audited consolidated accounts of the QHA Group were prepared), on the basis of 195,327,814 QHA Shares in issue as at 31st December, 2005.

The highest and lowest closing prices of the QHA Shares as quoted on the Stock Exchange during the six month period preceding the last trading day prior to the date of this announcement are HK\$4.19 per QHA Share on 15th August, 2006 and HK\$2.7 per QHA Share on 29th March, 2006, respectively.

The Share Offer will be extended on identical terms to all new QHA Shares issued at any time before the closing of the Offers, upon the exercise of the subscription rights attaching to any of the outstanding QHA Warrants or upon the exercise of any of the outstanding QHA Share Options.

**Terms of the Warrant Offer and the Share Option Offer**

So far as the AGL Directors, the APL Directors and the SHK Directors are aware, as at the date of this announcement:

- (i) there are outstanding QHA Warrants, which would, if exercised, lead to the subscription of 38,788,348 QHA Shares, at the adjusted subscription price of HK\$2.46 per QHA Share prevailing as at the date of this announcement;
- (ii) there are outstanding QHA Share Options granted by QHA, pursuant to its share incentive plan, to certain employees to subscribe for QHA Shares, exercisable from 16th October, 2003 up to and including 15th October, 2007, at an initial exercise price of HK\$1.50 per QHA Share and an existing adjusted exercise price of HK\$1.47 per QHA Share (subject to further adjustments); and
- (iii) other than the QHA Warrants and QHA Share Options mentioned in (i) and (ii) above, there are no outstanding warrants, options or other convertible securities of QHA.

Accordingly, as required under Rule 13.1 of the Takeovers Code, SHKIL, for and on behalf of Wah Cheong, will make the Warrant Offer for all Offer Warrants and the Share Option Offer for all QHA Share Options on the following basis:

For each Offer Warrant ..... HK\$0.79 in cash  
For each QHA Share Option ..... HK\$1.78 in cash

The cash offer price per Offer Warrant represents the difference between the cash offer price per Offer Share of HK\$3.25 and the adjusted subscription price of the QHA Warrants of HK\$2.46 per QHA Share prevailing as at the date of this announcement.

The cash offer price per QHA Share Option represents the difference between the cash offer price per Offer Share of HK\$3.25 and the adjusted exercise price of the QHA Share Options of HK\$1.47 per QHA Share prevailing as at the date of this announcement.

**The Offers**

The Offers are not subject to any condition.

**Wah Cheong has no intention to increase the cash offer price per Offer Share, the cash offer price per Offer Warrant or the cash offer price per QHA Share Option.**

**Intention of AGL, APL, SHK and Wah Cheong**

It is the intention of the AGL Directors, the APL Directors, the SHK Directors and the directors of Wah Cheong to maintain listing of the QHA Shares on the Stock Exchange. Appropriate steps will be taken as soon as possible following closing of the Offers to ensure that not less than 25 per cent. of the QHA Shares will be held in public hands.

**The Stock Exchange has stated that it will closely monitor trading in the QHA Shares. If, immediately following closing of the Offers, less than 25 per cent. of the QHA Shares are held by the public, or if the Stock Exchange believes that a false market exists or may exist in the trading in the QHA Shares or there are too few QHA Shares in public hands to maintain an orderly market, then it will consider exercising its discretion to suspend trading in the QHA Shares until a sufficient public float is attained.**

The Stock Exchange has also stated that, if QHA remains a listed company, any future injection of assets into or disposal of assets of QHA will be subject to the provisions of the Listing Rules. Pursuant to the Listing Rules, the Stock Exchange has discretion to require QHA to issue a circular to its shareholders where any acquisition or disposal by QHA is proposed, irrespective of the size of such acquisition or disposal and in particular where such acquisition or disposal represents a departure from the principal activities of QHA. The Stock Exchange also has the power, pursuant to the Listing Rules, to aggregate a series of acquisitions or disposals by QHA and any such acquisitions or disposals may, in any event, result in QHA being treated as a new applicant for listing and subject to the requirements for new applicants as set out in the Listing Rules.

It is the intention of AGL, APL, SHK and Wah Cheong to maintain the existing business activities of the QHA Group. There is no current plan to inject any business into the QHA Group nor dispose of any major assets of the QHA Group.

Wah Cheong has undertaken to the Stock Exchange to place out its shareholding interest in QHA or to procure QHA to do any other acts (subject to compliance with the Listing Rules) which are considered appropriate to maintain at all times the public float of 25 per cent. of the QHA Shares in issue following closing of the Offers. The board of directors of QHA has also undertaken to the Stock Exchange to do or to procure QHA to do any other acts (subject to compliance with the Listing Rules) which are considered appropriate to maintain at all times the public float of 25 per cent. of the QHA Shares in issue following closing of the Offers.

Following closing of the Offers, Mr. Richard Owen Pyvis, a non-executive director and the current Deputy Chairman of the board of directors of QHA, will resign as a non-executive director of QHA. It is the intention of the board of directors of QHA to elect a new Deputy Chairman.

**Total consideration**

As at the date of this announcement, there are 200,570,978 QHA Shares in issue. Assuming the exercise of all the outstanding QHA Warrants and all the outstanding QHA Share Options, there will be 240,207,126 QHA Shares in issue.

At a cash offer price of HK\$3.25 per Offer Share, the Share Offer values the entire issued share capital of QHA at approximately HK\$651.9 million (or approximately HK\$780.7 million, assuming the exercise of all the outstanding QHA Warrants and all the outstanding QHA Share Options). Full acceptance of the Share Offer would require Wah Cheong to pay an aggregate amount of approximately HK\$318.5 million (or approximately HK\$383.7 million, assuming the exercise of all the outstanding QHA Warrants (other than the Option Warrants and the QHA Warrants held by Wah Cheong) and all the outstanding QHA Share Options).

The Offers will be entirely financed by a loan facility granted by Standard Chartered Bank (Hong Kong) Limited to Wah Cheong. SHKIL is satisfied that sufficient financial resources are available to Wah Cheong to satisfy full acceptance of the Offers.

**Effects of accepting the Offers**

By accepting the Share Offer, shareholders of QHA will sell their QHA Shares and all rights attaching to them as at the date of this announcement, including the right to receive all dividends and distributions declared, paid or made on or after the date of this announcement.

By accepting the Warrant Offer, holders of the QHA Warrants will sell their QHA Warrants and all rights attaching to them as at the date of this announcement.

By accepting the Share Option Offer, grantees of the QHA Share Options will surrender their QHA Share Options and all rights attaching to them as at the date of this announcement for cancellation.

**Stamp duty**

Seller’s ad valorem stamp duty arising in connection with acceptance of the Share Offer or the Warrant Offer, amounting to 0.1 per cent. of the consideration payable in respect of the relevant acceptance by shareholders of QHA or holders of the QHA Warrants, will be deducted from the consideration due to such person on acceptance of the Share Offer or the Warrant Offer (as the case may be). Wah Cheong will arrange for payment of the stamp duty in connection with such sale.

**Dealings and holdings in securities of QHA**

During the six month period preceding the date of this announcement, other than:

- (i) the acquisition by Wah Cheong of 724,000 QHA Shares on 29th May, 2006 and 386,000 QHA Shares on 30th May, 2006, in each case at a price of HK\$2.775 per QHA Share;
- (ii) the acquisition by a corporation wholly owned by Mr. Steven Samuel Zoellner, an APL Director, of 50,000 QHA Shares on 27th April, 2006 at a price of A\$0.4928 (equivalent to approximately HK\$2.8750, calculated on the basis of A\$1 to HK\$5.834 as at 27th April, 2006) per QHA Share and 52,000 QHA Shares on 4th May, 2006 at a price of A\$0.4833 (equivalent to approximately HK\$2.8793, calculated on the basis of A\$1 to HK\$5.9575 as at 4th May, 2006) per QHA Share;
- (iii) the taking of the Option by Wah Cheong on 3rd April, 2006;

there were no dealings in QHA Shares or other securities of QHA by Wah Cheong or any person acting in concert with it.

**Arrangements in connection with the Offers**

Other than the taking of the Option over the Option Shares and the Option Warrants, the exercise of the Option over the Option Shares, the intended transfer of the Option Warrants to Wah Cheong and the intention to maintain the public float of QHA, there are no agreements, arrangements or understandings (including compensation arrangements) existing between AGL, APL, SHK, Wah Cheong or any person acting in concert with any of them and any of the directors, recent directors, shareholders or recent shareholders of QHA having any connection with or dependence upon the Offers or in relation to the shares of Wah Cheong, and there is no intention to enter into any such agreement, arrangement or understanding.

**Financial adviser**

SHKIL has been appointed as financial adviser to Wah Cheong in connection with the Offers.

**OFFER DOCUMENT**

Pursuant to Rule 8.2 of the Takeovers Code, Wah Cheong will despatch an offer document containing, amongst other things, the terms of the Offers, together with forms of acceptance and transfer or cancellation, to shareholders of QHA, holders of the QHA Warrants and grantees of the QHA Share Options in connection with the Offers within 21 days after the date of this announcement.

**REASONS FOR AND BENEFITS OF THE OFFERS**

As stated in the joint announcements of AGL, APL and SHK dated 7th April, 2006 and the respective circulars of AGL, APL and SHK dated 29th June, 2006, the SHK Directors consider the taking of the Option a good opportunity, with sufficient flexibility, for SHK to increase its investments in QHA significantly, as and when the SHK Directors see fit at any time within the period of one year in which the Option may be exercised.

It is also stated in the respective circulars of AGL, APL and SHK dated 29th June, 2006 that as a result of the exercise of the Option by Wah Cheong, Wah Cheong is expected to obtain or consolidate control of QHA and will be obliged to make a mandatory offer for QHA Shares in accordance with the Takeovers Code.

The QHA Shares have been traded on the Stock Exchange at prices above the offer price per Offer Share of HK\$3.25 for a consecutive period of 51 trading days prior to the date of this announcement. The SHK Directors consider it the appropriate moment to exercise the Option over the Option Shares now, and the obligation to make a mandatory offer therefore arises.

As at 31st December, 2005 (being the date up to which the latest published audited consolidated accounts of the QHA Group were prepared), the QHA Group maintained a strong financial position. For the year ended 31st December, 2005, the QHA Group recorded a total turnover of approximately HK\$822,844,000 and a profit after tax of approximately HK\$56,140,000. The earnings per QHA Share attributable to ordinary equity holders of QHA was HK\$0.279.

Having regard to the prevailing market prices of the QHA Shares and the financial position and business operation of the QHA Group, the AGL Directors, the APL Directors and the SHK Directors believe that the Offers are fair and reasonable and in the interests of the shareholders of each of AGL, APL and SHK taken as a whole.

It is the intention of AGL, APL, SHK and Wah Cheong to maintain, following closing of the Offers, the existing business activities of the QHA Group. There is no current plan to inject any business into the QHA Group nor dispose of any major assets of the QHA Group.

Audited net profit of QHA for the two financial years ended 31st December, 2005 were:

- (i) approximately HK\$53.9 million (before taxation) or approximately HK\$45 million (after taxation) for the financial year ended 31st December, 2004; and
- (ii) approximately HK\$66.4 million (before taxation) or approximately HK\$56.1 million (after taxation) for the financial year ended 31st December, 2005.

As at 31st December, 2005 (being the date up to which the latest published audited consolidated accounts of the QHA Group was made), the audited net asset value of QHA was approximately HK\$150.3 million and the audited net asset value attributable to the Offer Shares was approximately HK\$73.4 million.

Based on the closing price of HK\$3.90 per QHA Share on 29th September, 2006, being the last trading day prior to the date of this announcement, the market value of the Offer Shares is approximately HK\$382.3 million.

LISTING RULES IMPLICATIONS

The Offers constitute a discloseable transaction for AGL under the Listing Rules, on the basis that the calculation of the revenue ratio is within the range of 5 per cent. and 25 per cent.

The Offers constitute a major transaction for APL under the Listing Rules, on the basis that the calculation of the revenue ratio is within the range of 25 per cent. and 100 per cent. Under Rule 14.44 of the Listing Rules, as no shareholder of APL is required to abstain from voting if APL were to convene a general meeting for approving the Offers, written approval has been obtained from AGL, as a shareholder of APL holding approximately 74.93 per cent. of the issued share capital of APL as at the date of this announcement, in lieu of holding a general meeting.

The Offers constitute a major transaction for SHK under the Listing Rules, on the basis that the calculation of the revenue ratio is within the range of 25 per cent. and 100 per cent. Under Rule 14.44 of the Listing Rules, as no shareholder of SHK is required to abstain from voting if SHK were to convene a general meeting for approving the Offers, written approval has been obtained from APL (through its wholly-owned subsidiary AP Emerald Limited), as a shareholder of SHK holding approximately 62.53 per cent. of the issued share capital of SHK as at the date of this announcement, in lieu of holding a general meeting.

AGL, APL and SHK will each despatch a circular containing, amongst other things, details of the Offers to their respective shareholders as soon as practicable.

DISCLOSURE OF DEALINGS

Stockbrokers, banks and others who deal in the securities of QHA on behalf of clients have a general duty to ensure, so far as they are able, that those clients are aware of the disclosure obligations attaching to associates and other persons under Rule 22 of the Takeovers Code and that those clients are willing to comply with them. Principal traders and dealers who deal directly with investors should, in appropriate cases, likewise draw their attention to the relevant rules of the Takeovers Code. However, this does not apply when the total value of dealings (excluding stamp duty and commission) in any securities of QHA undertaken for a client during any 7 days period is less than HK\$1 million. This dispensation does not alter the obligation of principals, associates and other persons themselves to initiate disclosure of their own dealings, whatever total value is involved.

Intermediaries are expected to co-operate with the Executive in its dealing enquiries. Therefore, those who deal in the securities of QHA should note that stockbrokers and other intermediaries may supply the Executive with relevant information as to those dealings, including identities of clients, as part of that co-operation.
