NOTES:

1 Basis of preparation

These consolidated financial statements have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRS"), including Hong Kong Accounting Standards ("HKAS") and Interpretations. These consolidated financial statements have been prepared under the historical cost convention as modified by the revaluation of buildings, available-for-sale financial assets, and financial assets and financial liabilities (including derivative instruments) at fair value through profit and loss (if any), which are stated at fair value.

The preparation of financial statements in conformity with HKFRS requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Company's accounting policies.

2 Changes in accounting policies

(a) Effect of adopting new/revised HKFRSs

In 2005/06, the Group adopted the new/revised standards and interpretations of HKFRS below, which are relevant to its operations. The 2004/05 comparatives have been restated, where necessary, in accordance with the relevant requirements.

HKAS 1	Presentation of Financial Statements
HKAS 2	Inventories
HKAS 7	Cash Flow Statements
HKAS 8	Accounting Policies, Changes in Accounting Estimates and Errors
HKAS 10	Events after the Balance Sheet Date
HKAS 12	Income Taxes
HKAS 14	Segment Reporting
HKAS 16	Property, Plant and Equipment
HKAS 17	Leases
HKAS 18	Revenue
HKAS 19	Employee Benefits
HKAS 21	The Effects of Changes in Foreign Exchange Rates
HKAS 23	Borrowing Costs
HKAS 24	Related Party Disclosures
HKAS 27	Consolidated and Separate Financial Statements
HKAS 32	Financial Instruments: Disclosure and Presentation
HKAS 33	Earnings per Share
HKAS 36	Impairment of Assets
HKAS 37	Provisions, Contingent Liabilities and Contingent Assets
HKAS 38	Intangible Assets
HKAS 39	Financial Instruments: Recognition and Measurement
HKAS Int 15	Operating Leases – Incentives
HKFRS 2	Share-based Payment
HKFRS 3	Business Combinations
HKFRS 5	Non-current Assets Held for Sale and Discontinued Operations

The adoption of HKASs 1, 2, 7, 8, 10, 12, 14, 16, 18, 19, 21, 23, 24, 27, 33, 36, 37, 38, HKAS-Int 15, HKFRS 3 and HKFRS 5 did not result in substantial changes to the Group's accounting policies. In summary:

- HKAS 1 has affected the presentation of minority interest and other disclosures.
- HKASs 2, 7, 8, 10, 12, 14, 16, 18, 19, 23, 27, 33, 36, 37, 38, HKAS-Int 15, HKFRS 3 and HKFRS 5 had no material effect on the Group's policies.
- HKAS 21 had no material effect on the Group's policy. The functional currency of each of the consolidated entities has been re-evaluated based on the guidance in the revised standard.
- HKAS 24 has affected the identification of related parties and some other related-party disclosures.

Adoption of HKAS 17

The adoption of revised HKAS 17 has resulted in a change in the accounting policy relating to the reclassification of leasehold land and land use rights from property, plant and equipment to operating leases. The up-front prepayments made for the leasehold land and land use rights are expensed in the income statement on a straight-line basis over the period of the lease or when there is impairment, the impairment is immediately expensed in the income statement. In prior years, the leasehold land and land use rights were accounted for at valuation/cost less accumulated depreciation and accumulated impairment.

The adoption of HKAS 17 resulted in a decrease in opening reserves at 1st April 2004 by HK\$1,796,000.

	As at 31st March 2006 HK\$'000	As at 31st March 2005 HK\$'000
Decrease in property, plant and equipment	(12,835)	(14,309)
Increase in leasehold land and land use rights	12,835	14,309
Decrease in revaluation reserve	-	(6,956)
	For the year ended	For the year ended
	31st March 2006	31st March 2005
	HK\$'000	HK\$'000
Decrease/(increase) in selling and distribution costs	333	(193)
Increase/(decrease) in basic earnings per share	HK0.07 cents	HK(0.04) cents
Increase/(decrease) in diluted earnings per share	HK0.07 cents	HK(0.04) cents

Adoption of HKAS 32 and HKAS 39

The adoption of HKAS 32 and HKAS 39 has resulted in a change in the accounting policy relating to the classification of financial assets at fair value through profit and loss and available-for-sale financial assets. It has also resulted in the recognition of derivative financial instruments at fair value and the change in the recognition and measurement of hedging activities.

The adoption of HKAS 32 and HKAS 39 has no effect on opening reserves at 1st April 2005 and the details of the adjustments to the balance sheet at 31st March 2006 are as follows:

	As at 31st March 2006 HK\$'000	As at 31st March 2005 HK\$'000
Increase in available-for-sale financial asset	1,042	-
Decrease in other investment	(1,042)	-

Adoption of HKFRS 2

The adoption of HKFRS 2 has resulted in a change in the accounting policy for share-based payment. Until 31st December 2004, the provision of share options to employees did not result in a charge to the income statement. Effective 1st January 2005, the Group expensed the cost of share options in the income statement. As a transitional provision, the cost of share options granted after 7th November 2002 which had not yet vested on 1st January 2005, if any, was expensed retrospectively in the income statement of the respective periods. The adoption of HKFRS 2 has no impact on the Group's profit and loss and opening reserves.

All relevant changes in the accounting policies have been made in accordance with the transitional provisions in the respective standards. All standards adopted by the Group require retrospective application other than:

- HKAS 39 – recognises all derivatives at fair value in the balance sheet on 1st April 2005 and adjusts the balance to retained earnings as at that date;
- HKAS-Int 15 – does not require the recognition of incentives for leases commencing before 1st January 2005;
- HKFRS 3 – prospectively after the adoption date.

Dividend

The Directors recommended the payment of a final dividend of HK 7 cents per share (2005: HK 6 cents per share) for the year ended 31st March 2006. This, together with the interim dividend of HK 3 cents per share already paid, gives a total of HK 10 cents per share for the year ended 31st March 2006 (2005: HK 12 cents per share including HK2 cents of special dividend). The proposed dividend will be payable on 15th September 2006 to shareholders whose names appear on the Company's Register of members on 24th August 2006 following the approval at the forthcoming Annual General Meeting.

Analysis on turnover and profit

Total turnover increased approximately 8.4% as compared with that of the previous year. In particular, turnover in the retail sector decreased approximately 1.5% mainly because of severe weather conditions that adversely affected the traffic of PRC tourists and the shopping appetite of consumers in the first half of the financial year ended 31st March 2006. During the second half of the year, retail sales improved owing to the increase in demand for jewellery products stimulated by the favorable marriage year. Besides, turnover in the wholesale sector increased approximately 36.5% owing to substantial increase in the quantity of gold jewellery items purchased by the Group from retail customers and then resold to gold merchants in bulk quantities, as a result of drastic surges in gold prices during the second half of the financial year.

The profit attributable to shareholders for the year ended 31st March 2006 in respect of normal operations decreased approximately 4.6%, as compared with the profit for the previous year excluding the exceptional gain on disposal of properties amounting to approximately HK\$25 million for that year. During the year under review, the monthly shop rentals of several tenancy agreements renewed by the Group were greatly raised attributable to the "Disney effect". Hence, total rental expenses for the year increased approximately 35.8% and accounted for approximately 4.3% of total turnover.

PROSPECTS

As there are more sight-seeing spots in Hong Kong such as the new attractions in Ocean Park, Ngong Ping 360, the Hong Kong Wetland Park and the Disneyland, they helped boost up domestic consumption as well the number of visitors. They have also attracted tourists coming to Hong Kong from the PRC and Southeast Asia. Thus, more business opportunities are expected to bring to the retail industry and favour the demand for jewellery.

Meanwhile, from May 2006 onwards, the Individual Visit Scheme will be further applied to more parts of China such as those in Hunan, Hainan, Yunnan, etc. More PRC tourists will be able to visit Hong Kong. Thus, the spending from the PRC visitors is believed to bring Hong Kong's economy to another high.

Following the new shop that will soon be established in the United States, it means our market segment has been newly lengthened to the United States which will be a prominent milestone for Luk Fook's expansion into the United States market.

With wide support and recognition from the industry as well as customers, the group will continue to strengthen its brand and corporate image so as to build up customers' confidence towards the Group. In the coming years, the Group will participate in more international competitions, industry fairs, and exhibitions in a hope to excel in various aspects.

Meanwhile, the Group will proceed to promote the Ice g. brand and launch a set of products targeting younger consumers and endeavor to make the brand into a recognizable brand by offering delicate jewellery products at reasonable prices and of high qualities.

Looking ahead, Hong Kong will continue to enjoy favourable business conditions brought by the PRC. With China's successful entry into the World Trade Organization (WTO) and the progressive implementation of the Closer Economic Partnership Arrangement (CEPA), numerous business opportunities have been brought to Hong Kong. As China gradually opens up its vast market to allow more individual travelers coming to Hong Kong, coupled with the rising income of its people as well as the demand for luxury, despite a moderate improvement of turnover in the past fiscal year, the Group holds an optimistic attitude towards our retail business in the coming year. Meanwhile, Luk Fook will remain committed to expanding its business and continue to grasp every chance to generate returns for our shareholders.
